ABPMP Portland – Dedicated to the Advancement of Business Process Management Concepts and Practices

Who We Are

ABPMP Portland is *the* professional community for the advancement of Business Process Management (BPM) in the Portland area.

We are a Community of Practice – dedicated to the advancement of BPM concepts and practices through knowledge sharing and hands-on practical application.

We serve Portland by:

- Raising awareness throughout local organizations the benefits of adopting sound BPM practices
- Contributing to the advancement and skill development of local professionals who work in the BPM space
- Recognizing and acknowledging those who make outstanding contributions to the BPM discipline

How We Operate

The ABPMP Portland Community of Practice is comprised of individuals at different skill levels who have an interest in the BPM Profession

Members develop skills and establish a network through participation in the community. This can be accomplished through:

- Seeking advice and discussing ideas with other members of the community
- Participation in round tables and discussion groups
- Contribution of BPM related case studies and whitepapers to the Content Site
- Presentation of BPM related projects and practices at organized speaking
